**THE SHOPS AT HILLTOP TO HOLD
FENG SHUI CEREMONY FRIDAY, JUNE 28**

WHAT: As The Shops at Hilltop, the 1.2 million square foot shopping center centrally located in the San Francisco East Bay region, prepares for its center-wide transformation project, it will proudly welcome Alex Stark, an internationally recognized practitioner of Feng Shui, Friday, June 28, for a special educational presentation and Yu Wei Rice Blessing.

Beginning at 4:00 pm at Center Court, Stark will hold an educational discussion regarding the complete Feng Shui process followed by a Yu Wei Rice Blessing at 4:30 pm. In Feng Shui “Yu Wei” is considered a high blessing. This ritual encourages new growth, harmony, development and prosperity and is an appropriate ceremony for construction.

Prominently located off Interstate 80, just 20 miles northeast of San Francisco, construction plans for the transformation of The Shops at Hilltop call for the addition of 1) a new outlet shopping component; 2) an expanded collection of foodie-centric food and beverage concepts focusing on cuisines from around the world and; 3) a variety of entertainment venues and services.
